2019

AC2019 WILL INTRODUCE YOU TO A SPECIAL PLACE

Most of you have never been to **Grand Rapids, Michigan**. It's a hidden jewel on the banks of the Grand River. It's known as the **Furniture Capital of the World**, **Beer City USA**, and the home of Favorite Son, **President Gerald R. Ford**. Now it's also known as a **'Cool City.'**

It's been named the **#1 Travel Destination** by Lonely Planet. The New York Times cited Grand Rapids as one of **52 Places to Go Worldwide**. Business Insider says it's the **#1 Place for Millennials to Work, Live, & Start a Life**. It's the **Top 20 Greenest Cities in America**, according to Expedia. **YOU'LL LOVE IT HERE!**

When you come here, we'll take you to one of the **30 Must-See Museums in the World**, **Meijer Gardens & Sculpture Park**.

We'll tour an immaculately restored **Frank Lloyd Wright** house located in Grand Rapids' Historic District, Heritage Hill. The famed architect designed the Prairie-style home and its furnishings.

And you must visit the **G. R. Ford Presidential Museum** with its Oval Office, Cabinet Room, burglary tools used in the Watergate break-in, and a section of the Berlin Wall.
